ICTAZ Constitution Review

As you may recall, during our 15th Annual General Meeting, we collectively agreed on the need for a thorough and consultative review of the Association's Constitution. I am pleased to inform you that this review process is now underway in preparation for the 16th Annual General Meeting.

We invite all members to submit proposed amendments for consideration. These submissions will be discussed during virtual webinar sessions organized by the Constitution Review Committee. Following these sessions, the committee will facilitate a **two-day walk-in period** for in-person submissions and compilation of all received inputs. The next steps in the review process will be communicated thereafter.

Submissions are open until **Monday, 10th March 2025, at 08:00 AM.**
Please send your proposed amendments to **constitution@ictaz.org.zm**.
