Zambia Institute of Marketing

Dear distinguished guests and delegates,

On behalf of the Zambia Institute of Marketing (ZIM), it is an absolute privilege to welcome you to Zambia, the home of one of the world's greatest wonders, the Victoria Falls.

This year's Conference theme, "Africa Rising Through Marketing Leadership, Brand Power, and Value Creation", captures the tireless efforts of governments and cooperating partners as they shift Africa from an emerging market to a demand architect in the global economy.

During the conference, we will explore how marketing expertise can actualise the rise of the African continent; from branding Africa and harnessing youth talent to leveraging digital tools, upholding sustainability, and exercising the marketing leadership at local, continental and global levels.

Beyond the conference hall, I invite you to taste our authentic Zambian cuisine and experience the breathtaking Victoria Falls. Take time to enjoy Livingstone's vibrant nightlife, serene river cruises, thrilling bungee jumping, and explore the magnificent wildlife where nature comes alive.

Welcome to Zambia.

Welcome to the 5th edition of the AMC Conference 2026.
